Observations ....at Random.

A nover sight that has been witnessed in the North Side for neveral days is that of a young lady attired in a man's top of the house. The brick with which it is being built is hauled by her father, and she has done the rescenar to be doing it well. The flue went up rapidly under the magic any times the cynesure of many the incident was not nearer in town than it was, that the example might have been appreciated by the gentler
